CLADDING

TAN GREEN ONLY – VARIOUS LENGTHS IN STOCK

Discover our high quality timber cladding, suitable for internal or external use to suit your building and renovation projects whilst stocks last.

These lightweight materials have decorative design functions and are quick to install. Available in 11mm and 17mm, they have an attractive grain and colour and are easy to decorate.

This cladding is sustainable, has a low carbon footprint and can be recycled up to the end of its life.
